Hello! It's Stacy the intern. High school senior Decima is a super-cute nature girl who'll drive you wild with her beautiful, drool-worthy booty.

Hi, Decima! Your name is so unusual. Where does it come from?

It means "tenth child." It's also the name of a Roman goddess.

You are definitely pretty enough to be a goddess. Wait—your parents had ten kids?

They had 12, actually.

Oh, my God!

I know, right?

So did you inherit your parents' horny gene?

Definitely. I constantly crave sex.

What's been your craziest experience so far?

One time, at the county fair, I gave my date a blowjob behind the ring toss booth on the midway.

Whoa, that is brave! So you like to give blowjobs?

I love giving blowjobs. Guys always tell me that I give the best head they've ever had.

What's your secret?

I like to run the tip of my tongue up and down a guy's pee slit while gently tickling his nuts. And sometimes I'll stick a finger up a guy's butt when I'm sucking his dick—it makes them come like crazy.

Noted! What's your favorite sexual position?

Doggy. I think I have a pretty nice butt, and I like to show it off to boys while they're fucking me.

I was just about to say, your booty is perfect! Do you do special exercises to keep it in such good shape?

Not really, but I do hike a lot, and I think that helps. I love doing anything outdoors.

What are your plans for the future?

I would like to be a park ranger someday. I know it doesn't sound very girly, but like I said, I really enjoy nature and being out in the wild.

I'll go exploring with you any time!

Anything else you'd like to tell our readers?

Treat our planet well—it's the only one we have. And when you lick pussy, make sure to give a girl's clitty plenty of love! ★

PROMISE

looking for mr. right

Hey, guys! Promise is one of the smartest BARELY LEGAL girls ever. She's studying creative writing in college, and she's working on her debut novel! She won't let anyone read it yet, but she says it's "mostly autobiographical"—which means it must have lots of sex in it!

Hi, Promise. Good to see you. What's up?
I've been busy with school—and boys.

Are you seeing anyone special?
Not really. I just hook up with random guys. It's hard to find a guy who can be understanding about the whole porn thing

How did you start doing porn?
I met a porn star, and we became friends,

and she invited me to the set of one of her movies. It looked exciting, so I decided to try it.

What kind of sex do you like?

I like it rough.

Do you like butt sex?

I've only done anal a couple times. I love it, but I save that for special occasions. I just like to be fucked *hard*. Plus, having my hair pulled or my butt spanked doesn't hurt.

Are you bisexual?

Kind of. I've slept with a few girls, but just for fun. You know, at parties or whatever.

What were you like in high school?

I was a cheerleader. Nobody who knew me in high school was shocked to find out I'm

doing porn.

Have you ever slept with any of your teachers?

I wish! I don't know what's wrong with them. I guess I make them nervous.

Do people at your school know you're a porn star?

Yeah, I get hit on constantly.

But you still can't find Mr. Right?

Maybe someday. But I'm a big flirt. I don't think I could be tied down to one guy anyway. When I *do* find Mr. Right, I will make him the happiest man on earth. ★

ANGELIKA

Hey, it's Lindsey. Angelika has the face and name of an angel, but deep inside she's—still an angel! Seriously, she's such a sweetheart, I just want to hug her. (Bonus: I'd get to feel her awesome titties!)

Romantic status: Totally single. :(

Fave hobby: Playing with my dachshunds, Bebe and Skittle.

Fave movie: *The Wizard of Oz*.

Fave food: Vegan pizza. I don't eat meat or cheese or eggs, 'cause I love animals too much. BUT—I don't judge people who do eat those things. I just think, you have to do what's right for you.

Favorite part of your body: My heart. Just kidding, I'm not *that* goody-goody! I love my boobs. I like to show them off.

Biggest turn-on: Soulful eyes.

Biggest turn-off: Drugs.

Pet peeves: I don't think I have one! Um, I guess when people are mean to their pets.

Fave masturbation method: I close my eyes and rub my pussy while I picture a cute guy.

Best way for a guy to pick you up: If he has a dog or he's nice to my dogs. I *always* meet cute guys at the dog park.

To bi or not to bi: I've fooled around with a couple of girls. They can be a fun, like, side project, but mainly I'm into guys and their penises.

Ideal guy: A gentleman, but likes to fuck a lot.

Fave sex position: I love when the guy is on top, 'cause there's variety. It can be slow and gentle or hard and fast. Or both!

Spitter or swallower: Swallower. Cum is an animal by-product, but no animals are harmed! :)

Butt sex, yay or nay: It depends on how the guy does it. If he just sticks it in, nay. If he licks me down there first and takes it slow, BIG yay.

Best way to come: Lick my pussy. That's heaven.

Ultimate sexual fantasy: To be with two guys at once. Then I would *really* feel like a princess.

Ultimate goal: To teach children with learning disabilities.

Reason for posing: To show my naughty side. :) ★

My butt. It gets the most compliments from guys—and stares. It helps when I wear tight jeans.

Do you ever get naked in public?

No! Too many people. But I like being naked when I'm home alone.

How often do you masturbate?

Every day! Shoot! I get antsy when I have to go more than a couple days without an orgasm.

What do you fantasize about when you masturbate?

Most of the time I like slow, romantic, sweet sex. But sometimes rough sex fits the passion of the moment.

What's the best sex you've ever had?

I love morning sex! I like to wake a guy up with licks and kisses, get him hard and ride him slow. Sadly, I don't get to do it too often, 'cause I live with my parents. It's almost impossible to sneak guys in past them!

Did you like posing nude?

Heck, yes! My pussy was dripping wet thinking about all the guys who were going to see me naked. I felt like Jenna Jameson or something! ★

GOT IT BAD FOR BOYFRIEND'S DAD

A BARELY LEGAL CONFESSION

BY DENISE REYES

I have a confession to make. But first I want you to know that I am not a bad person. I make all A's and Bs. I'm the uneven-bars champ in school gymnastics. I go to church. I babysit. Someday, I want to become a pediatric nurse and help sick kids.

I have a great boyfriend, Jason. We've been dating since sophomore year, and now he's talking about getting married once we're in college. He's so sweet! But I'm not ready for marriage. I'm only 18. I'm too young for all of that.

Besides, sometimes stuff happens that you don't plan. I thought I wanted to be with Jason forever, but I'm still figuring out who I am. Also—well—this is really bad. I'll just come right out with it: I'm in love with my boyfriend's dad!

I didn't mean to love him. Yes, I always had a secret schoolgirl crush on Mr. Williams, but it wasn't a big deal. But something happened when I turned 18. It's like, I was sexually awakened. My body ached for a grown man with maturity and experience. My silly crush on Mr. Williams grew into an intense sexual attraction.

Of course, it would be wrong in every way to hook up with my boyfriend's dad. But sometimes, bad things feel too good to resist.

Don't get me wrong. Jason is forever special in my heart. I lost my virginity to him, the night of my 18th birthday. We'll always share that. And it was really nice. I'll tell you about it.

Jason treated me to birthday dinner at my fave, the Cheesecake Factory. I totally pigged out—Cajun Chicken Littles, a salad with ranch, and a huge slice of banana-cream cheesecake! I'm gonna get so fat—LOL! After dinner, we went back to Jason's. I've been hanging out at his house since I was 16, so his folks are

totally cool with me staying over late, 'cause they know me. It's like I'm part of the fam! So his mom and dad don't even sweat it and totally go to bed while I'm still there. They trust us, I guess. And they *could* trust us, 'cause we used to only make out. But now things were different.

Jason and I were in the den watching an old *Saturday Night Live*. The only thing funny was this song that Andy Samberg did. (Plus I have a crush on Andy Samberg—LOL!) Jason was like, "Dude, SNL stopped being funny so long ago. The only good thing about these shows is Kristen Wiig. 'Cause she's hot."

"I like when she plays the lady at Target," I said.

"Yeah," Jason nodded. "This is lame. Let's do something else."

"Like what?" I smiled. I knew that he knew exactly what he meant.

It's like someone waved a wand. Jason turned into a beast. He stood me up and pulled my cute little diagonal-striped dress over my head. We tumbled onto the couch, lip-locked. He unhooked my bra and ripped my panties off. He was still clothed. I was buck-naked. He pressed his body on top of me, his boner poking hard against my inner thigh.

"Slow down," I said. "Play with my boobs for a minute."

"Sorry," he panted.

He kissed my neck and sucked my nipples. My nipples are crazy sensitive. My clit swelled. He squeezed my boobs together and licked my cleavage. He dragged his tongue down, pausing at my navel to kiss my belly. He kissed further down until he reached my pussy. He wrapped his lips around my labes, stuck his tongue in.

"Oh, yeah," I whispered, closing my eyes and letting my legs fall wide open. I rocked my hips. He sucked my clit.

Still licking me, Jason wrestled his fly open and pulled out his dick. He jerked it as he lapped my pussy.

"You want to feel my dick, don't you," he mumbled around my wet cooch. "You want me to stick it in."

"Um, okay, yeah."

I was secretly nervous. Would it hurt? Would I bleed? Plus it felt so good to have my pussy licked, I kind of wanted to just let him eat me till I gazzed. But it was time to lose the big V.

"Okay, here I go," Jason panted.

I closed my eyes. My mind told my pussy, *Relax*. The tip of his dick poked at my hole, circled it. I rocked my hips. I felt the tip pop in. It didn't hurt at all—it felt fantastic. He pushed, pushed, inching his way in. I was so tight. It felt kind of weird at first, like there was all this pressure inside my vag, but the more we moved together, it's like my pussy conformed to him. I loved the feeling of his dick.

"It's good," I said.

Jason gripped my shoulders. I ran my fingers up and down his back. His slow, gentle movements grew hard and fast. He pumped into me, knocking breath from my lungs with each thrust. Before I knew it, he was coming.

"Ahh fuck, fuck, ahhhh yeahhh!"

Jason pulled out and shot his wad all over my boobs and stomach. It was a ton of jizz!

"Oh, man," he gasped. "Awesome."

It was a lot of fun, but I wished he'd held out till I had an orgasm.

Orgasm or not, having sex awakened something in me. Like there had been this tiny spark inside, and suddenly it had burst into flames and I was completely on fire. I wanted to have sex, like, pretty much all the time. But the problem was, while I was doing it with Jason, I was fantasizing about his dad.

I know it's wrong, but I couldn't help it! I'd go to Jason's house like always and I'd see his dad and we'd say hi and joke around, but something was different between me and Mr. Williams. It's like he *knew*. The way he looked at me, like he could sense that I was burning, and he wanted to feel it, and he knew that I wanted to feel him. So one night, after weeks of fantasizing and agonizing, we gave in.

Jason had fallen asleep on the couch in the den and Mrs. Williams was asleep upstairs. I'd gone to the kitchen in search of a late-night snack. I was digging through the pantry when Mr. Williams walked in.

"Hey, Mr. Williams," I said, a little startled. "Hope it's okay if I open this box of Wheat Thins."

"Of course." He smiled and pulled some orange juice from the fridge, swigging it straight from the carton. "And please, we're both adults. Call me Dan."

Dan leaned against the kitchen island and took another slug of OJ. I was frozen, holding the box of Wheat Thins and

staring at him. I dropped the box and walked toward him. It's like I was possessed.

"Mr. Will—," I sighed. "Dan."

"I know how you feel," he said, setting the orange juice on the counter and holding my face in his hands. "I feel it, too."

We kissed. He pulled me close. His body was hard. His strong hands roamed over my boobs, squeezed my ass. I was overcome with the desire to suck his dick.

"Show me," I whispered, dropping to my knees.

Mr. Williams—I mean Dan—loosened the drawstring of his pajama pants and pulled the waistband over his dick. He was rock-hard, and big. I wrapped my hand around the base. Pre-

my throat as I could.

"Oh, God, here it comes," he groaned. "I'm gonna come in your mouth, *oh yeah yes yeaaahhh!*"

Hot jizz splattered the back of my throat. My mouth still sliding up and down his shaft, I swallowed his cum. It felt hot and slick going down. I loved the salty, bitter taste. I could have slurped a quart of it.

"My God," Dan said, gasping for breath. I wiped my mouth and stood. My legs wobbled.

"Was that okay?" I whispered. "Are we, like, going to hell for that?"

"God, no. That was heaven."

The idea of being alone with Mr. Williams was too tempting to resist. I went the very next night. He opened the door and pulled me in.

"I'm so glad you're here."

Dan wrapped me in his arms and kissed my lips. We didn't make it far—we toppled onto the living-room carpet. He pulled off my undies, lifted my shirt over my head. Still wearing my plaid skirt, I sat on him. His cock was hard under his khaki pants. I grinded my pussy against him. A wet spot formed on the crotch of his pants—my girl juice. Another spot, his pre-cum. We were both so wet!

"Unzip my fly," he panted. I lowered his zipper and pulled

Dan grabbed me by the waist and sat me on his cock. He slid right in. I felt like I could burst—he was so big! I loved it.

"My God, you're tight," he said. I rode him. I squeezed my tits, threw my head back.

Mr. Williams could really last. We did it for, like, ever. He flipped me onto my back, hooked my legs over his shoulders. He picked me up, my legs wrapped around his waist, and pressed my back against the wall. I moaned and pulled his hair and came.

"*Oh, oh, oh, oh, YEAHHHHH!*"

I've never come like that.

"Get down," he said. "Get on your hands and knees."

cum oozed from the tip. I closed my lips around his head and sucked, poking my tongue into his hole. The pre-cum was salty and slick. I loved the taste of it. Dan moaned and pushed his cock into my mouth. I opened my throat and sucked.

"Fuck, yes," he said, wrapping his fingers in my hair. My head bobbed back and forth. My mouth watered. Slobber and pre-cum dribbled down my chin. I cupped his balls, gently massaged them.

"Good God, you're incredible," Dan panted. "My wife never sucks my dick."

I sucked harder. I dipped down and slid my lips across the underside of his shaft. I licked his balls, pulled them into my mouth. I swallowed his cock again, pushing him as far down

I felt kind of guilty the next morning, but not guilty enough to turn off my feelings about Mr. Williams. I'd never felt lust like that. All I could think about was feeling his cock again. I wanted more of it.

Maybe it was fate. Jason and Mrs. Williams were visiting Jason's grandma in Minnesota. Dan was staying home—he had important stuff going on at work. He'd be alone in the house.

I went by the Williamses' the night before Jason and his mom left so I could say goodbye to Jason. Mr. Williams pulled me aside.

"You're welcome to keep me company while they're gone," he said. "I'll be here every night, all by myself."

out his dick. I rolled my thumb over the slippery tip.

"Yeah," he said, "jerk my dick."

I pulled his cock, squeezing gently. I bent down and stuck my tongue in his mouth.

"Oh, God," he wheezed. "Let me taste your little snatch."

I climbed onto his face and lowered my pussy onto his mouth. He sucked and licked. He jammed his tongue inside my hole. I was totally having sex with his tongue. My boobs bounced. He grabbed my ass and pressed his thumb against my tooter, tickling it.

"Fuck me," I moaned. "Fuck me, Mr. Williams."

I can't believe that came out of my mouth—I am so not normally like that! But I was for real. I seriously wanted it.

He hit me from behind, clutching my hips. He pressed his chest into my back and cupped my tits.

"I'm gonna come. I'm gonna come all over your ass."

With an "*Ahhhhhhhhh*," Dan pulled out and coated my booty with hot jizz. I reached around and rubbed it into my skin. I sucked it off my fingers. I loved it.

You can probably imagine what Dan and I spent the next few days doing. It sounds terrible, but I wished Jason and Mrs. Williams would just stay in Minnesota and never come back. And I don't know what to do about Jason. You can't just tell your BF you're in love with his dad.

It's a mess, but to tell the truth? It was totally worth it. ★

JEWEL STYLES

so precious

PHOTOGRAPHY BY HERB KING

Hey! It's me, Lindsey. Model/aspiring actress Jewel is so adorable, I just want to pinch her cheeks—and other parts! ;)

Did you like posing nude?

I'm always a little camera-shy. But it's definitely easier posing with less clothes on. I guess I'm, like, shy at first, but deep down I have no inhibitions.

What do you think is your best body part?

My booty. It's big but tight.

How often do you masturbate?

Six times a week. On the seventh day, I rest! ;)

How do you do it?

Sometimes my finger and sometimes a vibrator. Depends on my mood.

Do you like giving BJ's?

I love it. I have fun learning what different methods work for different guys.

Are you a spitter or swallower?

Swallower. It's faster. Less cleanup!

Do you like when someone goes down on you?

Of course. I'm yummy!

What's your favorite sexual position?

Doggy. I like to show off my booty, plus a guy's cock always feels awesome and super big from behind.

How do you like to be fucked?

Passionately. I get really into it, so I hope the guy does, too.

Do you like butt sex?

No. It hurts! I like to be fucked passionately, but not *painfully*.

Where do you like a guy to come?

On my chest or ass.

Are you bisexual?

Yes. Sex with girls is always carefree and gentle.

AGE: 19
HEIGHT: 5-2
WEIGHT: 110 POUNDS

MagDownload.org

What's the wildest thing you've ever done?
Fucked my friend and his friend on camera just for fun. And—I hope this doesn't sound conceited—I got totally turned on watching it after! It was like our own homemade porno!

What kind of guys do you like?
Masculine, clean, considerate.

What kind of girls?
Hot, sweet, clean.

What's the best way for a guy to pick you up?
Just be honest. I like guys who are real. And real raunchy!

You are the cutest thing ever. Will you come back soon?
You just have to ask! ★
